

# Steps to your dental visit

1

# Waiting Room

1 You will tell the receptionist your name

2 You will wait in the lobby

3 Your dental assistant will call your name

4 You will follow her back to your chair

2

# Sitting in the chair

- 1 You will lay back in the chair
- 2 You pick your toothpaste flavor
- 3 You pick a TV show
- 4 You wear headphones so you can hear

Your assistant  
will put a bib on  
to keep your  
clothes clean

**Your dental assistant will use a bright light to see in your mouth**

If you don't like the lights you can wear sunglasses or close your eyes.

## Now it's time to get your teeth cleaned

1

You will have your teeth flossed

2

Your assistant will use special instruments to remove hard barnacles from your teeth

3

A spin brush will clean your teeth. Sometimes this tickles.

4

Your mouth will be rinsed with a water squirter and a suction straw.

# X-rays

**Sometimes your dentist will want pictures of your teeth. These are called x-rays**

3

# X-rays

1 You will walk to the picture room

2 You will wear a heavy blanket

3 Your assistant will place a small piece of film in your mouth

4 She will use a special tooth camera to take your pictures

**Then you  
will go back  
to your seat**

Now it's time for the dentist  
to check

4

# Doctor check up

- 1 Dr. Neste will use a small mirror and tooth counter to check your teeth
- 2 She will tell her assistant all about your teeth.
- 3 She will put special vitamins on your teeth
- 4 She will give you a token to pick a prize

# Time to pick your PRIZE!

**You are all  
done!**

Have a great  
day!
